

MEALS ON WHEELS

Whether you want to grill, bake, smoke, or steam food outside, the BergHOFF ceramic barbecue is your all-rounder for all forms of outdoor cooking. And not only is it full of clever design features such as fold-out bamboo tables, it also looks the part and comes in anthracite, orange, or green.

GOOD RISINGS WE BRING

Crusty outside, airy-light inside – that’s the way a truly French baguette should be. If you’re looking to replicate the bread you get on holiday, then use Emile Henry’s baking form. Made of extremely heat-resistant Flame® ceramic material, it also features steam escapes in the lid.
